Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the AIDS Foundation – Preparing the HIV System to Meet the Needs of the Aging Population program in the fiscal year 2023 Labor, Health and Human Services, Education and Related Agencies bill.

The entity to receive funding for this project is AIDS Foundation Chicago, located at 200 W Monroe Street, Suite 1150, Chicago, IL 60606.

The funding for this project will allow AIDS Foundation to provide a training curriculum intended to help providers as part of this collaborative be better equipped to serve their clients as the population living with HIV continues to grow older. The goal is to develop different tiers of trainings to be able to cater to entry level providers as well as seasoned senior services case managers.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Quigley
